

## Joshua 13:8-14 **Inheritance divided by Moses – East of the Jordan River**

Moses divided the land east of the Jordan to the half tribe of Manasseh, Reuben, and Gad.

8 With the other half tribe the Reubenites and the Gadites received their inheritance, which Moses had given them, beyond the Jordan eastward, as Moses the servant of the LORD had given them:

### From the southern border

9 from Aroer which is on the bank of the River Arnon, and the town that is in the midst of the ravine, and all the plain of Medeba as far as Dibon; 10 all the cities of Sihon king of the Amorites, who reigned in Heshbon, as far as the border of the children of Ammon;

### To the Northern border

11 Gilead, and the border of the Geshurites and Maachathites, all Mount Hermon, and all Bashan as far as Salcah; 12 all the kingdom of Og in Bashan, who reigned in Ashtaroth and Edrei, who remained of the remnant of the giants; for Moses had defeated and cast out these.

### Those Israel failed to drive out

13 Nevertheless the children of Israel did not drive out the Geshurites or the Maachathites, but the Geshurites and the Maachathites dwell among the Israelites until this day.

### Levi's Inheritance

14 Only to the tribe of Levi he had given no inheritance; the sacrifices of the LORD God of Israel made by fire are their inheritance, as He said to them. NKJV
